Project Name: _____

Project Owner: _____

HMRD Facility Name: _____

Nearest Crossroads: _____

Estimated Water Use/Day: _____ Unit: ☐ Gallons or ☐ Trucks

Water Use Start Date: _____ Water Use End Date: _____

TERMS AND CONDITIONS

1. Construction water will be billed at the rate of $100.00 per day Monday through Friday. In the event no construction water is needed for three (3) or more consecutive business days within the permit dates, the Permittee may notify HMRD to request the dates be nonbillable. The request must be made to HMRD in writing one (1) business day prior to the pause in construction water use. Retroactive requests, including rain related requests, will not be granted.
2. Permittee must present proposal for HMRD Engineering Department approval as to the method the water will be removed from the HMRD facility. All proposals must follow any applicable HMRD Engineering Standards and other HMRD policies that might apply to the specific situation.
3. To the fullest extent permitted by law, Permittee agrees to be solely responsible for any and all injuries, damages, and claims to persons or property arising out of its use of the HMRD facilities and/ or water. Permittee agrees to defend, hold harmless, and indemnify HMRD, its directors, officers, employees, consultants, agents, contractors, or authorized volunteers against any and all such injuries, damages, and claims. This indemnification agreement shall not be restricted to any insurance proceeds.
4. If the permit use dates are greater than seven (7) days the Permittee agrees to maintain in full force during the term of this permit, at Permittee's own expense, a policy of comprehensive liability insurance, including bodily and personal injury liability and property damage, which will insure Permittee and HMRD against liability for injury to persons, damage to property, and death of any person occurring in or about the Property. The policy shall be approved as to form and insurance by HMRD. The insurance shall be not less than $500,000 each occurrence and shall name HMRD as additional insured. Permittee shall provide HMRD with a copy of the policy within fifteen (15) days of permit approval.
5. Upon expiration of the permit, the Permittee will restore HMRD facilities and Right of Way to the condition prior to construction of the temporary facilities, if applicable, which shall be determined to HMRD's satisfaction within five (5) calendar days of the expiration date of permit.
6. Permittee agrees to have a copy of this permit available at the jobsite throughout the duration of the permit for verification purposes.
